Letter of Recommendation

Dear Home Owners Association

As the Treasurer for The Reserves at Wedgefield I would like to take the time to make a formal recommendation for services of a Homeowners Association Management Company by Angelia Gordon of All about Management. For the past two years Ms Gordon, and All about Management has been the management company for The Reserves at Wedgefield. Through the guidance of her company we have a very good working relationship, and have made some positive strides even with the current economic conditions that we all are facing.

With the guidance and expertise of All About Management we were able to put together a collection initiative that resulted in a substantial positive net gain to our financials without incurring unnecessary attorney fees, or assessing a Special Assessment. We were able to get contractors that actual performed the jobs they were being paid to do. It goes without saying Ms. Gordon, and All About Management is honest, professional, pleasant to work with, and efficient, as well as they get the job done! I have no doubt that if you were to retain her company you will be very satisfied with the services of All about Management.

As the Treasurer for The Reserves At Wedgefield I feel I can speak for the members of the Board of Directors, and we are very satisfied with the services of All About Management. We look forward to keeping Ms Gordon and her staff on board. If you would like to contact me and speak personally, I can be reached by the contact information listed below.

Sincerely

John D. Thomas

Treasurer
